I was employed for 5 or 10 years and received an anniversary check/gift for an experience. How can I claim it?
If you have arranged and paid for the experience (outing, weekend trip, balloon ride, city trip, etc.) or have already experienced it, you can claim the expense through My InSite.
Go to My InSite, choose Expense reports, choose Gifts > €25 and claim the amount shown on the check. Attach receipts and invoices and the bank statements and put in the description that this is your anniversary gift. The entire amount must be declared at once.

How do I request an employer's statement?
You can request an employer's statement through AFAS/My InSite. Go to My InSite and click on Employer's statement. Once the employer's statement is completed, you will receive it back via your Tasks tab. You will also receive an email notification.
Do you also need a 'Aanvullende voorzieningen werkgever formulier' (Supplemental Provisions Employer form) filled out? Send this directly as an attachment when you submit the employer's statement. Or email the form to hr@digital-power.com.
