Dear collegue,

Here you will find all information about the setup for a VPN connection from our Amsterdam office and IP. You need to request for a username and password by mail: olaf.stempels@digital-power.com. After receiving those you can start with the setup.

Connection name:	VPN DiP Amsterdam
Server name:	vpn-amsterdam.digital-power.com
Share key:	D1Pvpn4mst3rd4m
User name:	**<Your_mailaddress>**
Password:	**<via Whatsapp or Teams>**
